

FAQ About the Learning Continuity Plan **For Pre-K School Students and Families**

As our faculty members have been reaching out to students this week by phone, email and Zoom conferences we have compiled a list of some of the most commonly asked questions. If you have course specific questions that are not answered here, reach out to the teacher of that course.

1. I am not getting the emails from the school, why am I being left off the mailing list?

Because SCS emails are being distributed to a wide group of people, spam filters can block our email communications. Check your spam folder and see if your emails from SCS are being directed there. If you find SCS email in your spam folder, be sure to mark it as “not spam” so that your email client will stop sending SCS emails to spam. If after checking your spam folder you still do not see emails from SCS please send an email to frontdesk@sarasotachristian.org and ask to have your email address added to our communication rosters. **Please note:** Only parents or guardians of record can request changes to the communication rosters.

2. What does the Friday schedule for students look like?

The Friday schedule does not include live class sessions.

- Teachers will be involved in virtual faculty meetings at the start of the day.
- We want students to have the same ease of access to the faculty that they experience while on campus. We are aware that virtual learning will present unique challenges and might make it feel like teachers are more difficult to access. When not in meetings, the faculty will be available for conferencing with students, parents and students, and for assistance with coursework.

3. What is the dress code for Zoom sessions?

SCS uniforms will not be required for attending Zoom sessions. It will be acceptable for students to follow casual day dress code requirements. Remember, people can still see you in a Zoom conference. Be mindful that your clothing is still school appropriate, that it does not contain inappropriate images, messages, or language. Pajamas are not considered school appropriate clothing.

4. What are the plans for the year-end PreK Celebration?

No decisions have been made about events beyond April 15th. It is the hope of the SCS administration that the restrictions on school meetings will be lifted before the end of the school year and that we will not only be able to return to our physical classrooms, but also will be able to enjoy all of the remaining celebrations, and special events.

5. What do I do if I have a problem connecting to a live Zoom class session?

Email your teacher right away, during the scheduled class period, as evidence of your attendance for that class. All classes will be recorded and posted for viewing at a later time so you will be able to rewatch any portion of a class discussion that you missed.
