Introduction to the School

Sarasota Christian School was established in 1958 by a group of Mennonite parents interested in having their children educated in a truly Christian atmosphere. The school aims to serve this need for all who are interested in a distinctively Christian education regardless of denomination, race, color, or national origin.

Sarasota Christian School has shown steady growth from its beginning of only 15 students on the first day. It is located on an inviting 25 acres and offers quality educational programs on the elementary, middle, and high school levels. Its students come from a wide variety of backgrounds and represent many denominations and congregations. Sarasota Christian School provides a peaceful environment in which students can grow and thrive. We are a community of learners called to a lifetime of service through Christ.

Mission

The mission of Sarasota Christian School is to equip students with a love for Christ, a passion to learn, the courage to lead, and a commitment to serve.

Statement of Faith

- We believe there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father and in His personal return in power and glory.
- We believe in the present ministry of the Holy Spirit and His indwelling in the Christian.
- We believe the Bible to be the inspired and only infallible, authoritative Word of God.
- We believe that for salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
- We believe in the resurrection of the saved unto life and the resurrection of the lost unto damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.

Core Beliefs

Preamble

- God is love, and Christ is God's gift of love to us. God has called us to love one another and to follow Christ in life. Sarasota Christian School is a Christ-based educational institution rooted in Christian beliefs as viewed from an Anabaptist-Mennonite perspective.

Christ-Centeredness

- We recognize that Christ died for all. We also recognize the call for each individual to personally believe and accept Christ as Savior and Lord.
- We recognize and promote Christ's emphasis on the preciousness of all humanity. The recognition of cultural uniqueness and racial diversity are equally important to Christ and this institution.
- We recognize that Christ is central to the interpretation of all scripture. All of scripture is viewed in the context of the teachings and life of Christ.
- We recognize that to follow Christ means to aspire to develop His nature and moral character. We also recognize the call for each of us to give up our life for others.
- We recognize Christ's call to be in the world but not of the world. We are citizens of the Kingdom of Christ with all the privileges and responsibilities that come from this citizenship. Such citizenship is the foundation for our call to mission and service to the world.

Excellence in Teaching and Learning

- We value developing students' minds, bodies, and spirits rather than simply focusing on academics alone.
- We believe developing each student's individual academic abilities to the fullest is the primary goal in the academic sector of a student's education.
- We believe a safe, nurturing environment within the community is conducive to learning.
- We believe all members of the school community, students, faculty, and staff have God-given talents, and all members of the school community are charged with being good stewards of their talents.

Community

- We strive to nurture the relationships among students and families, teachers, staff, church, and the local and global community.
- We cherish our students and their families.
- We desire to create an atmosphere in which all members of the community experience and share Christ's love.
- We appreciate and value the support of our local churches and strive to foster interaction among denominations.
- We are a denominationally diverse community, and we encourage all to follow in Christ's footsteps.

Service

- We believe God has richly blessed our school community with an abundance of varied gifts and talents, and we strive to share these gifts and talents with local and global communities and churches.
- We desire to follow Christ's teachings to reach out to people in need and to share His love even with those who disagree with us.
- We recognize that energy, enthusiasm, and creativity encourage students to gain life skills for service in the mission of the church.

Educational Philosophy

- We believe education is not an end itself, but that it relates to a larger purpose of transmitting "the grace and knowledge of our Lord and Savior Jesus Christ." (II Peter 3:18)
- We work in partnership with the home, the church, and the community to achieve our mission to honor God by providing academic excellence for our students while developing their faith.
- Our commitment is to develop a school in which our community identifies us as: Christ-centered, educationally excellent, a welcoming community, a place of peacemaking and serving, and a place that provides opportunities.

Christ-Centered

- We believe Jesus is central in all aspects of daily life. We call our students to acknowledge Jesus's presence in their lives and to be followers of Christ.
- We believe teaching is not just a job; it is a ministry. Our faculty, coaches, administrators, and staff members are called to model Christ's love to students and incorporate His teachings into all aspects of our community. We provide a teaching faculty that is professional, accountable to the faith community, and committed to faith-infused educational practices.
- We encourage students to become actively involved in the life and witness of their local congregations, both in our community and around the world.
- We strive to integrate faith and knowledge while keeping Christ as the focus of learning.

Educational Excellence

- We advocate academic excellence at all grade levels and we provide a challenging curriculum for our students.
- We employ teachers who are deeply concerned with the preciousness of humanity and who treat students as works in progress, not finished products, understanding that student points of view serve as an instructional entry point. We require that our teachers and students treat each other with dignity and respect.
- As an Anabaptist educational institution, we strive to address the needs of the whole person--the intellectual, physical, social, emotional and spiritual dimensions. To this end, we provide a variety of curricular and co-curricular programs and activities that help students to become well-rounded individuals. We strive to prepare students to be successful at SCS, to be successful in their communities, and to be successful in their Christian walk throughout their lives.
- We expect students to exercise their rights and responsibilities as Godly citizens and to possess the knowledge and skills needed to live in a global world.
- We expect students to be under the Lordship of Jesus Christ, to live as children of great worth in the eyes of the Savior, and to live as a people who respect their own heritage as well as the heritage of others.

Community

- We are committed to working in partnership with local churches and the home to nurture our youth in their Christian faith.
- As an institution founded by the Mennonite Church, we strive to be a place of hope and peace. We strive to provide students with an appreciation for our local community as well as for the global community.
- We commit to making our school free of drugs, alcohol, weapons, and abusive behavior.
- We seek to resolve conflict and restore relationships according to Biblical principles. We believe in open dialogue that encourages growth by working through problems rather than ignoring them.

Peacemaking & Service

- As is characteristic of Mennonite schools, we recognize that peace is first nurtured by a personal relationship with Jesus Christ. From this perspective, students learn that God calls all people to be agents of reconciliation, whether in school or as members of the global community.
- We provide opportunities for students to interact with service workers who are involved both locally and internationally.
- We provide opportunities for all students to volunteer their time regularly at both churches and at local social service agencies.

Opportunities

- We strive to provide opportunities for students so that they develop their gifts and interests within a place of grace, peace and joy.
- We build our curriculum around both core courses and electives and our co-curricular program around student interests.
- We connect students with churches and church leaders, with Christian and community social service agencies, with Christian artists, both local and national, as well as with counseling and tutoring opportunities.
- We expect students to gain knowledge and develop skills that open up for them a range of career choices.

- We expect students to graduate and to focus their lives on mission, peacemaking, and service within both the local and global communities.

Educational Goals

- Sarasota Christian School focuses on a personal relationship with Jesus Christ, preciousness of humanity, integrity, and honesty.
- Students who graduate from SCS uphold high spiritual, academic and behavioral standards that openly integrate a Biblical lifestyle of discipleship and education. The SCS community defines discipleship as lives being transformed to the teaching and example of Jesus. Sarasota Christian School offers an educational standard that is judged as acceptable by the highest level of educational accountability. SCS is an accredited institution within the Florida Council of Independent Schools, the Florida Kindergarten Council, and AdvancEd.
- Sarasota Christian School students successfully compete at the highest levels nationally and internationally. They are prepared to make well-reasoned, thoughtful and healthy lifelong decisions that reflect high spiritual and academic standards that openly integrate education with a Biblical lifestyle of discipleship.
- Sarasota Christian School provides opportunities for learning and developing personal and behavioral skills to enhance students' roles as disciples of Jesus Christ.
- Sarasota Christian School students adhere to the lordship of Jesus Christ. They possess a sense of worth and respect for their own heritage and the heritage of others. They reflect on and respond to the cultural diversity of our community and nation. SCS students exercise their rights and responsibilities as godly citizens and possess the knowledge and skills needed to live in a global world.
- Sarasota Christian School students, as disciples of Jesus Christ, learn and develop foundational skills for a range of career choices.
- Sarasota Christian School staff and faculty collaborate with families, churches, and community agencies to prepare students for success at SCS.
- Sarasota Christian School students graduate and are prepared to enter the work force and postsecondary education with personal faith in Jesus Christ. Students graduate with lives focused on Christian service and peacemaking.
- Sarasota Christian School provides a quality environment conducive to teaching and learning. Teachers at SCS are deeply concerned with the preciousness of humanity. They treat each student and his or her endeavors as works in progress, not finished products, understanding that each student's point of view serves as an instructional entry point. Peers and teachers treat students with dignity and respect.
- Sarasota Christian School, in partnership with SCS families, local churches, and community service, provides an environment that is drug free and protects students' health, safety, and civil rights.
- Sarasota Christian School provides faculty and staff who are professional and model the integration of education with a biblical lifestyle of discipleship. SCS teachers are innovative and use diverse instructional methodologies. SCS faculty and staff form a community of accountability.

Parameters

The parameters of SCS are defined by its being a school of the local corporate Mennonite churches: Abundant Life Church, Sarasota Community Church, Bayshore Church, and Bethel Mennonite Church. The theology of the school is defined by the *Confession of Faith in a Mennonite Perspective* and supported by the corporate church representatives on the Board of Directors.

Accreditation

To ensure that the highest quality of education is maintained, faculty and administration regularly evaluate the total program from Pre-Kindergarten through 12th grade. The Florida Council of Independent Schools (FCIS) and AdvancED affirm this evaluation. Sarasota Christian School is accepted with full accreditation by FCIS and AdvancED.

SCS derives standards for living from Christ's example and the Bible, and we expect the SCS community to support and practice these standards. This following section provides a common understanding of what is needed to live and work together as a school. SCS communicates these conduct standards through written expectations for modeling, teaching, practice, and the curriculum.

This Handbook is not a comprehensive listing of school rules and policies, but rather a summary of some of the rules and policies for your convenience. SCS reserves the right to interpret, apply, modify and/or adopt, with or without notice, its rules and policies at its discretion. Any action that disrupts the educational process is unacceptable.

General Information

School Hours

	Earliest Arrival Time Permitted	Classes Begin	Dismissal
High School	7:30 a.m.	7:45 a.m.	3:05 p.m.

Middle School	7:30 a.m.	7:45 a.m.	3:05 p.m.
Elementary School	7:30 a.m.	8:00 a.m.	2:45 p.m.

Please observe the above times. Upon arrival, students must remain on campus until school is dismissed, unless prior parent approval is given. Students are expected to leave campus immediately following dismissal unless they are involved in an extra-curricular activity and under the supervision of a faculty or staff member. Teachers are available to meet with students after school, by appointment, until 3:30 p.m. The school does not provide supervision, nor can it be held responsible, for students arriving early or staying late not participating in a school activity. After 7:40 a.m., all gates will be secured and campus visitors must enter through the front door.

Our After-Care Program is designed to provide child care for students of parents who desire after-school care. After-Care is held on campus after school is dismissed, from 3:00 p.m. – 6:00 p.m. Elementary school students not picked up by 3:00 p.m. will be taken to the elementary school after-care program and middle school students not picked up by 3:20 p.m. may be taken to middle school After-Care. A fee will be charged for their supervision.

Closure of School

When weather conditions necessitate a change in our schedule SCS follows Sarasota County Schools closures plans. School schedule changes will also be left on the message system of the main phone line (941-371-6481), posted at www.sarasotachristian.org, and communicated via social media and/or by text alert system.

In the event of an actual emergency requiring school closure when students are on campus, the emergency notification system will be activated to notify families of the emergency.

Schedules

Middle School		
1 st Period & Devotions	7:45 a.m.	8:40 a.m.
2 nd Period	8:44 a.m.	9:32 a.m.
3 rd Period	9:36 a.m.	10:24 a.m.
4 th Period	10:28 a.m.	11:16 a.m.
Lunch	11:20 a.m.	11:45 p.m.
5 th WIN	11:49 p.m.	12:29 p.m.
6 th Period	12:33 p.m.	1:21 p.m.
7 th Period	1:25 p.m.	2:13 p.m.
8 th Period	2:17 p.m.	3:05 p.m.

High School		
1 st Period & Devotions	7:45 a.m.	8:40 a.m.
2 nd Period	8:44 a.m.	9:32 a.m.
3 rd Period	9:36 a.m.	10:24 a.m.
4 th Period	10:28 a.m.	11:16 a.m.
5 th WIN	11:20 a.m.	12:00 p.m.
Lunch	12:04 p.m.	12:29 p.m.
6 th Period	12:33 p.m.	1:21 p.m.
7 th Period	1:25 p.m.	2:13 p.m.
8 th Period	2:17 p.m.	3:05 p.m.

WIN Period

We have a WIN (What I Need) period in grades 3-12 to support student needs and help them reach their fullest potential by providing additional time for supplemental (intervention) instruction and/or enrichment. For example, students who need supplemental instruction will receive extra help in the subject area in which they need re-teaching support and students who want to learn a new skill or further develop an area of interest will be given enrichment options to explore. The goal is to enhance our ability to support our students at all levels of learning. In middle school and high school, students will have the opportunity to choose WIN through the scheduling program called FlexiSched. Included in the scheduled options are more spiritual development opportunities such as extended chapels, small groups, and worship teams. Students will receive intervention or enrichment in specific subjects or areas of interest for a select period of time and will have an opportunity to make new choices based on progress and interest in new offerings. Teachers may override student choices based upon grades, behavior, and review of student needs. We want all students to experience various enrichment activities or, if necessary, interventions throughout the year.

Academic Life

Sarasota Christian School prepares students for success in post-secondary education and employment through high academic standards that openly integrate Biblical teachings. Our curriculum fosters intellectual development by teaching students to think critically and creatively and to value the importance of their studies. It fosters spiritual development by expanding Biblical understandings and applications, encouraging commitment to the church, exploring evangelism and missions, and teaching the practice of the Christian disciplines.

Access to Records

In accordance to Florida Statute 61.13 and the Family Educational Rights and Privacy Act (FERPA), either parent may have access to their child's records unless a court order specifically revokes or restricts these rights. Individuals who are not a parent/guardian, are not permitted access to student records without parent/guardian consent. Student financial accounts must be current in order for records to be released.

Baccalaureate and Commencement

Students must be full-time (i.e. a minimum of five out seven periods attended through SCS approved programs) in order to participate in Commencement and to receive a SCS diploma. Part-time students are not eligible for a SCS diploma. Additionally, the principal reserves the right to make the final decision on including seniors in Baccalaureate and Commencement based upon credits, capstone requirements, service hours, and discipline reports.

Community Service Hours

Sarasota Christian's (SCS) high school students are expected to perform 37.5 community service hours per high school year attended at SCS (i.e. 150 hours for a four year SCS high school student). Any service program for which a high school student desires to serve must be for a pre-approved organization (see [Community Service Form](#)) or approved by the high school principal before starting the community service. At least half of the service hours must be attained through a community organization, either a non-profit organization that gives no monetary compensation to students, or through a for-profit agency which has an established volunteer program. The remaining hours may be attained through either church or SCS. A full credit will be earned for meeting the 150 hour requirement and a half credit for 75 hours.

NOTE: Any senior student not completing the required service hours by September 1 of their senior year will be ineligible for all co-curricular activities, and not be permitted to take part in senior class activities. Once all the required hours have been submitted, the student will be eligible for the above activities.

You may request additional community service plans for other organizations by clicking on this link: [Community Service Form](#).

Conferences with Teachers

Communication concerning a student's spiritual, academic, physical, and behavioral growth is encouraged. Parent-teacher conferences provide a time for parents and teachers to gain a better understanding of each student's strengths, interests, and challenges.

Elementary conferences will be scheduled following the end of 1st quarter and the 3rd quarter as noted on the school calendar. Elementary teachers will schedule individual conferences with parents. Middle school and high school teachers and special area teachers will be available for drop in conferences during the report card conferences.

Middle and high school parents may schedule conferences with individual teachers as desired; requests for group conferences involving several teachers should be made through the school principal.

Parents, students, teachers, counselors, principals, or the superintendent may initiate conferences as needed. Parents with concerns about a student's performance in a specific course should first talk with the teacher. If the parent still has concerns, a conference may be scheduled that includes the parents, teacher, principal, and student (if appropriate).

Failing Grades

Students must have a D- or above in order to receive credit for a course. If a high school student fails a core course, he/she must make up the course. It is recommended that students make up courses during the summer at an accredited public or private school program, or through Florida Virtual School. It is not recommended that courses are made up during a following school year. Certain higher level math and world language classes as well as honors and dual enrollment classes have additional requirements. See specific course listing for more information. Middle school students that fail a core course must work with the guidance office to develop a plan for making up the course in the summer.

Field Trips

Field trip attendance is a privilege and may be withdrawn if the student has difficulty following the guidelines; parents will be responsible for any expenses incurred to send a student home early. Field trips are a central part of the educational experience at SCS. Tuition rates include the cost of all educational day-trips. No separate fee will be charged for day trips. Overnight field trips will carry additional fees. Annually, a Field Trip Permission & Indemnification form will be sent home with students. The form needs to be signed and returned before the first trip. Should a compelling reason arise that would prevent a student from attending an overnight field trip, parents must make a written notification one week in advance and accordingly other homework assignments will be given.

Final Exams and Student Portfolios

Teachers may elect to give final exams, require portfolios, projects, or a combination thereof, to demonstrate student mastery of the course objectives. Final exams will be administered on scheduled days and times will be determined by the administration and teachers. All high school students must take their final exams at the scheduled time. This also applies to middle school students taking high school exams. In the event of absence or the student is late in excess of 15 minutes, a fee of \$50.00 will be charged for each exam taken out of the scheduled time period. This helps to cover the cost of time taken to write and administer a separate exam. It is the student's responsibility to make arrangements to make up the exams with the teachers.

International School Partnerships

Each class at SCS is committed to one international school partnership from which the students learn from peers around the world, and which each grade level supports financially through school projects. Curricular connections for each grade level's school and culture are regular components of each student's SCS learning experience.

Grading System

Evaluation of the progress of students is conducted with appropriate assessments. Kindergarten through second grade students receive a report at the end of each quarter summarizing academic and developmental progress. See **SCS Grading Guidelines** for more information. The following grading scale is in place for *third through twelfth grades*.

A+	=	100	C	=	71-78
A	=	91-99	C-	=	70
A-	=	90	D+	=	69
B+	=	89	D	=	61-68
B	=	81-88	D-	=	60
B-	=	80	F	=	59-0
C+	=	79			

Graduation Requirements

Students must have a minimum of 26 credits and a 2.0 cumulative G.P.A to graduate as outlined below. Transcripts show un-weighted G.P.A.s based on a 4.0 scale and weighted G.P.A.s on a 5.0 scale. For more complete information see the **Curriculum Guide**.

Subject	Requirement
English	4 credits
Mathematics	4 credits
Science	3 credits (2 with labs)
Social Science	3 credits
Bible	2 credits
HOPE (Health & PE)	1 credit
Performing/Fine Arts	1 credit
Community Service (VCS)	See Community Service section.
Electives (4 from core subjects)	6 credits (2 World Language credits required for college and Florida Bright Futures scholarship)
Capstone	1 credit
Capstone Presentation	0 credit

Academic Honor Roll

Scholarship is recognized and encouraged through an academic honor roll recognizing high school and middle school students with a weighted grade point average of 4.0 or all A's.

Open Campus During Final Exams and/or Projects

"Open Campus" is defined as a 9th through 12th grade student privilege to leave the Sarasota Christian School campus during final exam days when the student is not scheduled to take a final exam.

Students who have a signed parental permission form on file with the high school principal may sign out at the appropriate exit. Parental permission forms must be turned in to the high school administrative assistant at least four days prior to the first scheduled exam. It is the student's responsibility to return to school on time for his or her scheduled exam.

Further, students transporting students without parental permission is a serious offense and may result in the loss of this privilege in subsequent years.

When the student and parent sign the Open Campus agreement, they agree to release SCS from any and all liability for a student's actions during his or her exercise of the Open Campus privilege. Furthermore, the signed agreement also releases SCS from any personal injury or loss of life while the student is exercising his or her Open Campus privilege. It is expressly understood that, once the student leaves the Sarasota Christian School campus, SCS will have no further responsibility whatsoever for that student or his/her actions.

Progress Reports

Elementary parents in grades 3-5, middle school and high school parents are able to view their child's progress online throughout the year via RenWeb. Faculty will also be in communication with parents if a student is making insufficient academic progress.

Part-Time Students

A part-time student is defined as any student taking 4 or fewer SCS approved classes.

Part-time students who desire to participate in athletics or other extracurricular activities must be taking at least two courses during the semester in which their extracurricular is taking place in order to participate. If their extracurricular takes place during both first and second semester, part-time students must be in at least two courses during both semesters. All FHSAA regulations apply and appropriate paperwork must be filed before the student can participate. It is the parents' responsibility to see that all paperwork is completed before participation. Part-time students will be held to SCS academic/behavioral standards as defined in the Parent/Student Handbook.

Part-time students (excluding off campus SCF and SCT students) will not be eligible to graduate from Sarasota Christian School. SCT students must take three SCS courses per semester at the part-time rate in order to meet SCS graduation requirements and receive a diploma from the school.

Part-time students except those noted above do not participate in Commencement or receive a diploma or alumni brick. All part-time students are invited to participate in Baccalaureate, high school retreat (fee applies) and senior trip (fee applies).

Report Cards

The academic calendar is divided into four quarters as indicated on the SCS calendar. Grades are available throughout the year via RenWeb. Parents will receive report cards electronically at the end of each quarter.

Senior Trip

The senior trip is a privilege. The principal reserves the right to make the final decision on senior trip attendance based upon grades, service hours, and discipline information. As an overnight trip, fees will be assessed to all participating students with additional surcharges in the following situations:

Spiritual Development

The quality and integrity of the spiritual life of a Christian school is paramount to producing a safe environment where students and faculty can mutually encourage one another as they seek the Lord's will from day to day. Sarasota Christian School desires to equip the mind, body, and spirit of each student enrolled through the following:

- **Curriculum:** Teachers integrate faith and Biblical teachings into the written and spoken curriculum.
- **Chapel:** Chapels provide time for student leadership, guest speakers, messages from area pastors, worship, prayer and small group community and character building.
- **Bible Classes:** SCS offers students Bible study in an academic setting as a place to learn and ask questions about Christianity. The ultimate goal of our Bible curriculum is to develop followers of Jesus Christ who enjoy a personal relationship with Him.
- **Devotions:** Each morning all classes will begin with classroom prayer and Biblical devotions.
- **High School Retreat:** Each year grades 9-12 join together in a retreat for recreation and fellowship. A spiritual leader is invited to provide spiritual input and leadership for the weekend. The retreat gives opportunity for students and teachers to get to know each other in an informal environment, and to minister to the spiritual needs of the high school community. Attendance at the retreat is mandatory. However, if there is a compelling reason that a student cannot attend the retreat, the student is allowed to miss the retreat *with prior principal approval* but still required to attend school.
- **Missions Opportunities:** Domestic mission experiences provide students with the potential to change the world while also being personally changed. The Great Commission was Jesus' last command and, therefore, should be our first concern. Using the model of Acts 1:8, we offer SCS students experiences locally, regionally, and nationally.
- **Small Groups:** These offer an intentional way for students to establish community through creating a sense of belonging, valuing differences, and working together. This process seeks to provide a peaceful environment for students to come together to hear and be heard as they cooperatively develop life-long learning and behavioral skills.
- **Student-Led Faith Groups:** One of the many exciting aspects of the spiritual life of our campus is seeing students' lives changed through student leadership.
- **Adult Prayer Groups:** Our spiritual life is also enhanced through supportive groups, such as local representatives of the national organization "Moms in Prayer." This group encourages mothers to meet and pray for the administration, faculty, staff, and

students of Sarasota Christian School. SCS employees also meet together weekly to worship through faculty/staff led worship times.

Student Promotion and Progress

For a variety of reasons a student may require somewhat less or more time to develop their educational potential. Teachers will meet with parents and the student to determine the most beneficial placement of the student. They may also meet with the guidance office and the principal.

SCS strongly encourages all high school students to complete the four-year course of study in the four-year timeframe. The curriculum is designed to provide a carefully paced and meaningful academic, spiritual, and social experience that commences in the ninth grade and concludes at the end of the twelfth grade year. Students who have accumulated 21 credit hours are considered to have attained twelfth grade status in terms of credits only, not in terms of twelfth grade student rights and privileges.

The credits high school students earn each year determine their promotion and grade classification.

Fewer than 6 credits	Freshman (Gr. 9)
7 credits (including 1 credit each in English, Math, & Social Science)	Sophomore (Gr.10)
14 credits (including 2 credits each in English, Math, & Social Science and 1 credit in Science)	Junior
(Gr. 11)	
21 credits (including 3 credits each in English, Math, & Social Science and 2 credits in Science) and 2.0 GPA	Senior (Gr. 12)

Attendance

Excellent attendance is highly valued at Sarasota Christian School. Because excellent student attendance is correlated to high levels of student learning, we encourage students to be in every class, on time, every day of the school year. We see it as the responsibility of each parent, teacher, administrator, and staff member to promote and stress the value of good attendance. The school will contact parents regarding student attendance problems and will work with families to develop a plan when non-attendance becomes problematic.

Excused Absences

Absences are excused by the principal for the following reasons:

- Personal illness or injury (Requests for repeated or prolonged excused absences resulting from illness or injury may require a note from a doctor). Note: Once a student goes home during the school day due to illness they are to remain home for the rest of the day and may not participate in co-curricular activities after school.
- Doctor's appointments
- Death of an immediate or extended family member
- College visits for high school students. Principal pre-approval is required.
- School event or co-curricular activities.
- Principal pre-approved student and family trips/activities for educational purposes. Depending on the educational purpose, the principal may set the expectations that demonstrate sufficient evidence of learning. Scheduling such trips during weekends and breaks is preferred.

Requests for any other reason must be approved in advance by the principal or his/her appointee.

Procedures to Request an Excuse for an Absence:

When possible, it is best to communicate excused absences to the Front Office prior to the absence or the day of the absence. The absence will remain unexcused if the request for "excused" status is not received within three (3) days of the absence. Every absence, both excused and unexcused, will be recorded in the permanent records. Any absence that does not receive preapproval from the principal will be considered unexcused until a timely (three (3) days following absence) and acceptable explanation is received. Absences not described in the "Excused Absences" section above will be considered unexcused.

1. For student safety, it is imperative that parent(s) provide proper notification regarding student absences to the Front Office of the school through one of the following:
 - Leave a message at on the Front Office voice-mail at 941-371-6481
 - Email the Front Office at frontdesk@sarasotachristian.org
2. Paper or email notes clarifying the reason for an absence must be delivered to the Front Office within three (3) days of the absence.
3. Arrangements for missed work are the responsibility of the student and/or parent. See "Missed Work" section for details.

Early Dismissal Procedures:

1. Any student leaving early or going off campus for any reason must have parent permission containing the following information:
 - a. parent/guardian's name and signature

- b. the name of the student
 - c. the dates(s) of the early dismissal(s)
 - d. the reason for the absence(s)
2. This note must be received by the office before 8:30 am. For students that have an adjusted school schedule that starts after 7:45 am this note must be received at the beginning of the student's school day.
 3. Students who have been given permission to leave early are to sign out in the office. Students who leave campus without permission or without following proper procedure are considered truant and are subject to disciplinary action.
 4. A student needing to leave the campus with a parent will be notified by the front office to meet the parent in the reception area. Parents may not go directly to the classroom to deliver or pick up a student.

Absence Calculation for Elementary

A student is counted absent for a full day if the student misses more than three and one-half (3.5) hours of the school day. A student is counted absent for a half day if the student misses between two (2) to three and one-half (3.5) hours of the school day.

Absence Calculation for Middle School and High School

A student is counted absent for a full day if the student misses six or more (6+) periods of the school day including chapel and lunch. A student is counted absent for a half day if the student misses three (3) to five (5) periods of the school day. Absences for a student scheduled for less than a full day will be counted proportional to amount of time he/she is scheduled.

Excessive Absences

Students may not accumulate more than eighteen (18) absences per school year. Principals will be notified when a student has accumulated eighteen (18) or absences over the course of the school year. At that time, the principal may determine that a parent conference is necessary in order to develop a plan for eliminating the absenteeism. Consequences for excessive absenteeism may include detentions, suspensions, or even expulsion depending upon the severity of the situation. Exceptions can be granted for acute or chronic illnesses or injuries or other such extreme scenarios. Habitual unexcused absences may be subject to Florida Law (Section 1003.21, Florida Statutes).

Skipping

An absence without prior school and parental knowledge where a student leaves campus for any reason or stays on campus and misses a class, is defined as "skipping." Due to the serious safety concerns this behavior raises, any student found skipping may serve a suspension and/or a behavioral response as determined by the principal. Parents will be notified if their student is found skipping.

Tardy to School - Homeroom or Period 1 Tardiness

Students who are not present in the classroom at the start of the school day (8:00 am for Elementary and 7:45 for Middle and High School) are considered tardy to school. Tardies will be considered excused for personal illness or a doctor's visit when a parent or doctor's note is provided upon arrival. An excessive number of excused or unexcused tardies to homeroom or first period may result in an administrative review and/or the development of a plan for improvement.

Tardy to School Procedures:

1. Students arriving late to school must sign in at the front office.
2. Students are responsible for obtaining a late pass if they are going to be late or miss any part of a class.
3. Arrangements for missed work are the responsibility of the student and/or parent. See "Missed Work" section for details.

Class Period Tardiness

Students are tardy to a class if they are 10 minutes late or less to a period. Students arriving more than 10 minutes late to class will be marked "Absent." Students are responsible for obtaining a late pass if they are going to be late or miss any part of a class. Students who are tardy to class will be marked either Tardy Excused (teacher is presented with an acceptable pass) or Tardy Unexcused by the classroom teacher. An accumulation of tardies throughout the year will result in the following:

<u>Tardy #</u>	<u>Result (High School)</u>	<u>Result (Middle School)</u>
1-5	Student notified of tardiness. Grace period.	Student notified of tardiness. Grace period.
6	Detention issued.	Community service during WIN.
7+	Detentions will continue to be issued. The principal may decide to hold a parent conference to implement a plan for eliminating the tardiness.	Community service will continue to be issues. The principal may decide to hold a parent conference to implement a plan for eliminating the tardiness.

Behavioral Guidance

Sarasota Christian School recognizes that most students are exemplary in their behavior and considers it an honor to reward positive behavior. However, the school's response to deliberate disregard of school standards, requirements and expectations may include a community service assignment, conference, detention, development of a plan to change behavior, fine, suspension, paper writing, or expulsion, at the school's discretion. Restorative practices may be used in this process, and the student's pastor may be included as well. We derive standards for living from Christ's example and the Bible. The purpose of disciplinary action is to disciple and to teach the student; this is done in an attitude of love and concern. SCS does not use corporal punishment. Being a student at SCS is a privilege that is based upon meeting expectations.

The school will respond to out-of-school behavior when it could affect in-school behavior, have a negative effect on other students, interfere with the school's operations, or violate standards of conduct the school expects of its students. If a student experiences an arrest or conviction, the school will conduct a review of the situation, including whether continued enrollment is appropriate.

Bullying/Harassment

The school does not discriminate on the basis of race, color, national origin, ethnic origin or gender in administration of its educational, admissions, scholarship, loan, athletic, and other school-administered programs and policies. Any discrimination or harassment based on race, color, national origin, ethnic origin, or gender is strictly forbidden and will not be tolerated. Any allegation of harassment or discrimination will be promptly investigated.

If a student suffers any such harassment or discrimination by a student, a staff, or faculty member, or knows of such harassment or discrimination, the student or the student's parents should immediately report such conduct to a teacher, the principal, or the school's superintendent. The school will not retaliate or allow others to retaliate against a student who makes such a report.

Employees of Sarasota Christian School are state mandated reporters and will act promptly to investigate all complaints, formal or informal, verbal or written, of harassment or violence. If the school determines that harassment or discrimination has occurred, the offending student, staff, or faculty member will be subject to disciplinary action as determined by the school.

SCS uses research-based bullying prevention training and educational resources on our campus, along with an anonymous bullying reporting app. Bullying behavior will be responded to by all SCS employees. Students will receive recognition and response training to identify bullying through regular classroom meetings at all grade levels. Bullying is a form of harassment. We believe that every student has the right to feel safe at school. Bullying is when someone repeatedly and on purpose says or does mean or hurtful things to another person who has a hard time defending himself or herself. Bullying is unfair, one-sided and has an imbalance of power component. Bullying undermines and opposes our goal of creating an atmosphere conducive to learning and recognizing the value and worth of each individual and is not tolerated. Any suspected and/or witnessed incidents of bullying should be reported to a teacher and/or administrator as outlined on the [Bullying Prevention Reporting Form \(BPRF\)](#). More detailed information can be found on our website.

Detention (High School)

Detention is time scheduled outside of school hours, and may be held before school, after school or on a Saturday depending on the infraction. Detentions will be served for 90 minutes. Before school detentions will start promptly at 6:10 a.m. and end at 7:40 a.m. Afternoon detentions will start at 3:10 p.m. and will last until 4:40 p.m. Detentions may be given to a student for several reasons, including, but not limited to:

- excessive tardies
- excessive absences
- behavior that warrants an immediate issuance of a detention
- inappropriate and disrespectful behavior
- offensive language
- repeated or flagrant dress code violations
- being in an un-designated area

Students who are given a detention will be notified by the teacher and via email. Students who are given detention(s) must serve the detention on or before the scheduled date. Parents will be notified by RenWeb email each time a detention is assigned.

Any student who fails to show up or is more than 5 minutes late for a detention will receive a second detention, and be rescheduled for the original detention. If the same student fails to attend or is more than 5 minutes late to either of the two subsequent detentions, he/she will receive a one-day In-School Suspension (ISS).

A one day ISS will result when a student has already served detentions for two separate events and receives an additional detention for a third event. Parent meetings will result after the 2nd detention.

A continued accumulation of school detentions will result in an administrative review to determine conditions for continued enrollment will be held.

Detention (Middle School)

Detentions are given to a student for behaviors including repeated tardiness, repeated uniform infractions and classroom disruptions. Any student who fails to show up for a detention will receive an additional detention. Detention is time scheduled outside of school hours, and may be held before school, after school or on a Saturday depending on the infraction. Detentions will be served for 45 minutes. Before school detentions will start promptly at 6:55 a.m. and end at 7:40 a.m. Afternoon detentions will start at 3:05 and will last until 3:50 p.m.

Disruptive in Class

Behaviors that are disruptive in class, including disrespect to a teacher or student, or disregarding classroom guidelines, are not permitted. Teachers will work together with students to modify disruptive behaviors, will document improvement plans, and communicate with parents. If it becomes necessary, the principal will become involved and additional consequences may occur.

Grievance Procedures

SCS teachers seek to develop and maintain good working relationships with parents. When problems arise, it is *imperative* that they be dealt with ethically and in a spirit of cooperation. The principles in Matthew 18: 15-17 provide guidelines to follow. All concerns should be registered in the following sequence:

1. Discuss your concern together with your student and your student's teacher, making an honest effort to work through the problem at this level.
2. If the problem remains unresolved, discuss it together with the student, the teacher, and the principal.
3. If the problem still remains unresolved, contact the superintendent.
4. If the problem is still not resolved properly after much effort to solve the problem at the previous levels, contact the chairperson of the SCS Board of Directors for a formal review.

It is important that parents register their complaints individually as they arise. Under no circumstances is it appropriate to air complaints to other parents in an effort to gain support and thereby create dissension. Such practices can be damaging to the school community and thwart the overall goals and objectives of Christian education. Grievances should always be settled by following proper procedures in a spirit of Christian community.

Respect

Students are expected to exhibit respect for our Creator, our school, our teachers, for other people, and self. Communicating offensive, obscene, harassing, abusive, slanderous, libelous or inflammatory language, pictures, or materials about someone or the school, will not be tolerated and is subject to consequences. This includes, but is not limited to, social media, social networks, websites or online postings, text messages, and verbal harassment.

Maintaining a well-kept and clean learning environment and campus is important to successful learning; students are expected to do their part by using designated waste or recycling receptacles when disposing of trash. Restitution must be made for any student-incurred classroom damage. Textbooks are expected to be handled with care; replacement charges must be paid for damaged or lost books.

Student-to-Student Conflict

If students are in a physical contact conflict, they will immediately be separated and then meet with the principal. A minimum of a one-day suspension usually occurs for each person involved. Our goal is to work at restoring the relationship, which may be done through mediation activities or by setting boundaries. If the conflict is relational in nature and does not involve physical harm, the student may ask the principal or a teacher for help in developing a healthy relationship. The student will receive help in moving through a difficult time in the friendship.

Suspension and Expulsion

SCS reserves the right to determine the appropriate disciplinary action in any particular case at its discretion. Below are some examples of unacceptable conduct that may result in suspension (in or out of school) or expulsion.

- Fighting or actions involving injury to persons.
- Deliberate destruction or misuse of property.
- Possession of or setting off firecrackers, smoke bombs, or snappers of any kind, setting fires in the buildings, and tampering with fire alarms or fire extinguishers.
- Use, possession, or being under the influence of tobacco including electronic cigarettes and paraphernalia, alcohol, or other drugs on campus and at off-campus school functions.
- Use or possession of weapons and look-alike weapons including, but not limited to, any knife, cutting instrument or tool, firearms, and any other tool or instrument capable of inflicting serious bodily injury. Students can expect a process of search-

and-seizure when they are suspected of possessing or being under the influence of any of these items or other impermissible items, or items which are wrongfully in their possession. Areas of search include a student's vehicle, locker, personal effects, and person, including a drug test. Information may also be shared with the police.

- Communicating offensive, obscene, harassing, abusive, slanderous, libelous or inflammatory language, pictures, or materials about someone or the school, will not be tolerated and is subject to consequences. This includes, but is not limited to, social networking website or online postings, text messages, and verbal harassment.
- Repeated truancy from school or class.
- Lying, stealing, cheating, plagiarism, or immorality.
- Swimming or forcing others into the pond.
- Picking locks, forcing doors or otherwise entering locked buildings or unauthorized use of or access to school facilities or property.
- Accumulation and continuation of minor offenses.
- Violation of acceptable use policies or school equipment.
- Other conduct that is disrespectful to persons or disruptive of the educational process.

A student may not participate in any school functions or activities on days they are suspended. For out of school suspensions, students must also make arrangements to obtain their assignments and return completed work.

In most cases, the student may return to class after a satisfactory conference with the appropriate personnel, but the decision of readmission may be referred to the school Board of Directors. A second or third suspension of three days or more within two consecutive semesters, or any other serious infraction, requires a decision on readmission by the school Board of Directors. A high school student who is expelled typically loses all credits for the semester in which the expulsion occurs.

Co-Curricular Activities

Co-curricular activities enrich students' lives by providing opportunities to pursue or develop new interests, skills, and friends. In many cases, these activities supplement the academic program. To be eligible to participate in co-curricular school activities, high school and middle school students playing on high school teams or participating in high school plays and musicals must have a cumulative grade point average of 2.0 or higher from the previous semester. Any high school student who has one or more failing grades or two or more "D's" will be placed on a one week probation, and will not be allowed to play in games during that week. Grades will be checked every Monday morning, and the week probation period will begin immediately for any student who has not met the academic requirements. Middle School students will be withheld from participating in MS co-curricular activities if at any time, their current grades reflect an "F" in any given class until which time their class grade reflects higher than an "F." Students in this situation will use reteaching time in Intervention Lab for a minimum of finishing any given week. See the Attendance Section for co-curricular eligibility with regards to school attendance.

Athletics

Athletics contribute to the growth of students spiritually, physically, cognitively, and emotionally. Students compete inter-scholastically in baseball, basketball, cheerleading, cross-country, golf, soccer, softball, swimming, tennis, track, and volleyball. While winning is an important and legitimate goal, coaches aim to develop sportsmanship, team spirit, character, healthy attitudes and behavior, and the ability to deal with conflict, anger, excitement, and disappointment from a Christian perspective and practice. Students and parents are expected to behave in a way that reflects this perspective, and display exemplary behavior at all athletic events.

Good Sportsmanship

Sarasota Christian School is a member of the FHSAA (Florida High School Athletic Association) and strives to promote sportsmanship throughout all of our athletic programs, whether home or away. Sportsmanship doesn't begin and end with students. It is necessary to have parents and other adult spectators set the tone for our students by displaying exemplary behavior at all athletic events. Good sportsmanship is a measure of the understanding and commitment to Christ, fair play, ethical behavior and integrity. Therefore, outlined below are some acceptable and unacceptable behaviors regarding sportsmanship and fair play.

Acceptable Behavior

- Accept all decisions of contest officials.
- Applause during player introductions.
- Students leading fans in positive cheers.
- Handshakes and prayer (at our home events) between participants and coaches, regardless of the outcome.
- Showing concern for an injured player, regardless of team.

Unacceptable Behavior

- Disrespectful or derogatory, chants, yells, songs or gestures.
- Booming or heckling an official's decision.

- Criticizing officials in any way.
- Yells and taunts that antagonize individuals or opposing teams.
- Refusing to shake hands.
- Blaming the loss of a game on an official, coach or participant.
- Hand-held signs containing derogatory language.
- Use of profanity.
- Taunting or name calling to distract an opponent.

Drama

This is an opportunity for high school students to participate in all aspects of play production including performance, direction, design and technical support.

Junior Achievement

Fifth grade and middle school students have the opportunity to be a part of Junior Achievement which is dedicated to educating students about workforce readiness, entrepreneurship, and financial literacy through experiential, hands-on programs.

National Honor Society

SCS sponsors a chapter of the National Honor Society. High school students must achieve distinction in scholarship, leadership, service, and character to be eligible for NHS. Once elected to NHS, a student is a member for life as long as they continue to meet the annual requirements.

Odyssey of the Mind

Odyssey of the Mind is an international educational program that provides creative problem-solving opportunities for students from kindergarten through college. Team members apply creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics, and then bring their solutions to competition on the local, state, and world level.

Student Council

Middle school and high school student councils provide an opportunity for students, elected by their classmates, to provide leadership for the student body throughout the year.

General

Acceptable Use Policy

The purpose of the Internet is to facilitate communications in support of research and education by providing access to online resources and an opportunity for collaborative work. Internet access is available to students at various computer lab locations. In order for a student to use the SCS Internet connection, provided for educational purposes only, he or she must read and understand these guidelines. Failure to abide by these guidelines will result in disciplinary actions:

- Students are responsible to display exemplary behavior when using the Internet and must conduct themselves as representatives of Jesus Christ and of SCS and its standards.
- Users are not permitted to use the SCS network for non-academic related reasons including bandwidth intensive activities such as network games, transmission of large audio/video files, serving as a host for such activities, or any other non-educational purpose.
- Students may only access the designated student WiFi network.
- These guidelines are in place to protect the student.
- The use of the Internet is a privilege and may be taken away due to unwise use.
- All Internet use in school is under the supervision of a teacher or adult designee. However, SCS cannot formalize precise limits upon a student's access while on the Internet. Rather, it is the student's responsibility to follow standards set by the teacher, school, and his or her family.
- SCS cannot accept responsibility for objectionable materials which students access via the Internet. Some services available on the Internet could be considered offensive. Students must take responsibility for their own actions in navigating the Internet.
- Offensive, obscene, harassing, abusive, or inflammatory language, pictures, or materials and personal attacks are abuses and students who engage in such communications on the Internet (i.e. Facebook, Instagram, Google+, etc.) will be subject to disciplinary action. Impersonating others or representing oneself as someone else (i.e. identity theft) is prohibited.
- Social networking sites are off-limits during class time unless students are otherwise directed by their teacher.
- Students are responsible to follow copyright laws and rules regarding software, information, and attributions of ownership in their exercise of Internet privileges.
- Students are responsible to recognize the privacy rights of others and refrain from re-posting personal communications without the original author's prior consent.

- Students may use the Internet only for legal activities. A student who engages in illegal acts including but not limited to tampering with computer hardware, software, computer piracy, hacking unauthorized entry to computers or knowledgeable vandalism or destruction of computer files will be subject to disciplinary action.
- Students are responsible for avoiding the spread of computer viruses. Deliberate attempts to degrade or disrupt system performance by spreading computer viruses will result in disciplinary action.
- Students have the responsibility for safe keeping their own personal devices. SCS is not responsible for stolen, lost or damaged devices.
- SCS reserves the right to monitor and search all activity on school-owned devices, including tablets, computers, and other electronic devices.
- In the event of reasonable suspicion of a violation of SCS Acceptable Use Policy, school Administration or Technology staff may search students' personally owned devices such as cell phones, computers, and tablets.

Cell Phone and Electronic Devices

BYOD: A 1:1 technology environment through our “Bring Your Own Device” (BYOD) Program, for middle and high school, enhances curriculum by allowing every student access to digital textbooks, learning management systems, cloud-based applications, global collaboration and more. All middle and high school students are required to have a device with them on a daily basis that meets a minimum set of specifications. The school commits to providing online access for students. Students may only access the designated student WiFi network; this includes not using your cell phone as a WiFi hot spot. The school is not responsible for providing printing access, updating students' devices or troubleshooting their hardware or software issues. It is the student's responsibility to take care of their device. Refer to the BYOD Specifications Sheet for more information. **The school is not responsible for lost, stolen, or damaged devices.**

Use of personal electronic devices are prohibited in locker rooms, bathrooms, or other locations where the presence of such devices pose an unreasonable risk to the safety, welfare or privacy of other persons. Lost or stolen electronic devices are not the responsibility of the school.

High School: The use of cell phones is limited to before school, during lunch, between classes or during class with teacher permission for educational purposes. All cell phones must be turned off and may not be used outside of designated times. Earbud use is available to students only during class with teacher permission for educational purposes. Cell phones seen or heard outside of designated times will be confiscated. Confiscated electronic devices should be picked up by students at the end of the day at the front office. SCS acceptable Internet use policy guidelines apply for students using Internet on phones during the school day.

Middle School: Students may not use cell phones during the school day and must keep them in their backpacks in the off mode unless given permission by the teacher for educational purposes; otherwise, cell phones seen or heard between 7:45 and 3:05 will be confiscated. Confiscated electronic devices should be picked up by students at the end of the day at the front office. SCS acceptable Internet use policy guidelines apply for students using Internet on phones during the school day.

Elementary: Cell phones are discouraged for elementary school students. Students who come to school with a phone must have it in the off position and put away in their backpack during school hours. Students must obtain permission from their teacher prior to using the phone. Students in grades 1st-5th need to have access to technology in order to complete certain assignments throughout the school year.

If any student is found using an electronic device in a malicious or inappropriate manner the device will be confiscated and a parent contacted.

Co-Curricular Events

Students are to remain in the general area of the scheduled co-curricular event and are not to be loitering around other areas of the campus. Students are to leave the school campus promptly after the event. Exemplary behavior is expected at all co-curricular events. Students will be immediately removed from events if behavior is deemed inappropriate.

Food & Beverages

Beverages should have a lid or be in a spill-resistant container. Glass bottles are not permitted. Students are responsible for cleaning up any spillage and disposing of all trash.

Harmful Substances

SCS is committed to educating our students about healthy life choices, and maintaining a peaceful, drug and alcohol free, Christian campus. SCS enforces state and federal laws that prohibit the use of illegal drugs or controlled substances. Students may not use or be in possession of alcohol, tobacco, vaporized cigarettes or liquids, illegal drugs, or controlled substances (without a prescription) at any time. The school reserves the right to search a student and their possessions (e.g. backpack, locker, car, etc.) for substances.

Lockers

High school students are issued lockers at the beginning of the year. Contact the academic assistant for locker change requests. Lockers are to be kept organized and clean at all times. Students are responsible for the contents in their assigned locker, and are encouraged to

place a lock on their lockers. Middle school students do not have personal lockers; however each student is *issued a P.E. locker* and lock for gym clothes.

Lost and Found

Lost and found areas are located in the gym and middle school office. Students should check these areas before reporting a lost item to the front office.

Lunch Program

High school students may purchase a lunch in advance or a la carte each day in the lunchroom and eat in designated areas; they are not permitted to leave campus during lunch time without a parental escort. School lunches for elementary and middle school students must be pre-ordered and prepaid; they are not permitted to leave campus during lunchtime without his or her parent as an escort. Elementary school students eat lunch in their classrooms.

Parents and students may not order lunch from off-site establishments and have it delivered to campus. Parents and visitors may not provide lunches to students other than their own; requests for exceptions must be made at least three days in advance. This will help to keep lunch costs down and minimize the waste of meals that have been pre-purchased by our lunch program.

Media/SCS Publications

Occasionally the school, newspapers, and television stations may photograph and video our school, teachers, and students to explain or promote our schools' programs and events. These photographs and tapes may be used in newspapers, on television stations, and in SCS publications and productions. On the *Media Release Form*, parents may either grant or deny permission for their child to participate. Interviews to outside media are only to be given by the school superintendent or appointed representative.

No Solicitation and Distribution

To avoid disruption of business operations or disturbance of employees, parents, students and visitors, SCS has a No Solicitation and Distribution Policy to prohibit unauthorized solicitation of individuals and/or distribution of materials on its premises. Approval for all solicitations and material distribution must be requested to the communications manager. Students are not permitted to buy or sell items from students unless a SCS sanctioned activity.

Parent Information and Communication

Parents are expected to provide SCS with personal contact information, including: current home address, phone number, and email address. This information is used to communicate with parents about their students' progress, school happenings and in the event of an emergency.

Personal Property

Students are responsible for all personal items. The school is not responsible for lost, stolen, or damaged items such as backpacks, sports equipment, musical instruments, or electronic devices.

Public Display of Affection

Public displays of affection, including holding hands, are not permitted at school and are subject to disciplinary action. As part of our mission to honor God, made possible through partnership with the home and church, students are encouraged to live pure and holy lives.

Guidance Office Services

Guidance services are offered for Pre-kindergarten through 12th grade students. Guidance involves course scheduling, and educational, personal, spiritual, and vocational guidance. Students are encouraged to utilize the availability of guidance services.

College Counseling

The junior College Preparation class and senior year Capstone classes put emphasis on SAT/ACT prep, determining student interest areas, finding the best-suited colleges for each individual student, learning from visiting college representatives, help with college essays, and completing college applications. Sarasota Christian School also actively participates in helping students acquire scholarships through research performed in Capstone and resources provided by the director of guidance. Students and parents desiring additional information about applying for college, the scholarship programs and testing for college (SAT, SATII, and ACT) are encouraged to visit the SCS website

for many helps concerning preparing for college. On-site counseling is also available from the SCS director of guidance for both student and interested family members. A credit in Senior Capstone is required for graduation; see the course syllabus for course requirements.

Scheduling

Students receive guidance in registering for classes so that required courses are scheduled and proper electives are chosen. Once student schedules are established, very few, if any, changes are made. Requests for changes may be made by the parent of the student within the first week of school by contacting the director of guidance. Changes are only made to a student's schedule after the first week of school if both the parent and teacher/director of guidance agree that it is necessary for the student's success. Florida Virtual School is only available to students when there are unavoidable scheduling conflicts, or if the student has a diagnosed disability (psychological testing in the last three years) preventing them from being successful in the general classroom (recommended completion within Learning Support Program).

Standardized Testing

Students in **3rd through 10th grade** take the ACT Aspire Test in the spring of each year. Results of individual student testing will be distributed to parents. Students and parents may obtain additional information on ACT Aspire testing from the director of guidance. Due to time constraints, makeup tests cannot be offered.

Health

Parent Responsibility

It is the responsibility of the parent to notify the school of any health condition of their student which may require medication, treatment or monitoring at school and on school-sponsored trips/activities. It is also the responsibility of the parent to keep up-to-date contact information with the school in the event of an emergency.

Health Requirements

In accordance to Florida Statute 1003.22, students must have a health examination/physical (*DH3040 form*), not a sports physical, performed by a licensed health care practitioner in the United States within 12 months prior to their enrollment/first day of school. Students must submit a complete immunization history (*DH680 form*) or immunization exemption (*DH681 form*) prior to their enrollment/first day of school.

All new students must submit a Health History Form. Students entering grade 1, 3, 6 and 9 as well as any returning students whose health history has changed must also submit an updated form. This form is to inform the school about any recent injuries or chronic conditions such as asthma, allergies, or diabetes.

All students must submit a *Health Emergency Information Care Parental Consent Form* upon initial entrance to the school and it is the parent's responsibility to update it as needed.

Illness/Injury

The school maintains first aid supplies in each classroom and in the clinic for minor injuries. All SCS employees have had first aid training and some are certified by the American Heart Association in CPR/AED. Students too ill to remain in class must request permission from their teacher to report to the clinic for evaluation. In the event of a major injury or emergency, 911 will be called immediately.

Students may not remain in school if they have any of the following conditions:

1. Temperature 100° degrees or higher – students must be fever –free for 24 hours before they return to school.
2. Vomiting
3. Undiagnosed rash
4. Head lice
5. Contagious disease

Students suffering from a suspected head injury will be led through the steps found in the Concussion Management Protocol. See [link here](#) for more information.

Medications

A *Non-Prescription Medications Authorization Form* must be submitted upon initial entrance to the school; it is the parent's responsibility to update this form as needed. The school will only administer over-the-counter, non-prescription medications in accordance with consent and acceptable items declared on this form.

A [Medication Treatment Authorization Form \(MTAF\)](#) must be submitted to the school in order for any prescription medication, or non-prescription medication not identified on the *Non-Prescription Medications Authorization Form*, to be administered by clinic personnel. **Parents must deliver the signed MTAF and medication directly to the clinic;** medication should not be sent to school with students. When possible, parents are encouraged to administer needed medication to their student at home.

If the student needs to receive medication during the school day, state regulations require:

- A MTAF signed by a physician and parent.
- A completed MTAF for each prescription/medication; this includes over-the-counter medications not on the Non-Prescription Medication Authorization Form.
- Medication must be in the original prescription or unopened over-the-counter container labeled with the child's name, medication name, dosage, and times to be administered.
- The MTAF is valid for the current school year only.
- Parents need to pick up medication when it is discontinued or by the close of the school year; medication not picked up by the end of the school year will be discarded.

Screening Services

Screening for vision, hearing, scoliosis, growth and development are mandated by Florida Administrative Code 64F-6.003 for students in specific grade levels. A parent's signature on the *Health Emergency Parental Consent Form* gives permission for this non-invasive screening. Screenings do not diagnose, but are designed to identify students who have results outside the normal range. Early identification and treatment of physical problems is critical to ensure a child's health and optimum academic achievement. Parents must inform the school in writing if they do not wish their student to participate in any portion of this program.

Parent Involvement

Fundraising and Support

- **Annual Giving** is needed to offset the gap between what tuition covers and the actual cost of educating our students. The balance of needed income is derived from other sources, including our Annual Fund campaign, the Giving Challenge and Annual Auction. The Annual Fund includes unrestricted gifts of cash or stock annually to support the current year operating budget. The Giving Challenge is an online event in which incentives and matching funds are offered over a 24-hour period. The Annual Auction & Festival is a two-day event held each February that includes games, silent and live auctions, and delicious foods.
- **Capital Giving** donations are typically monies that fund physical plant needs over and above the operating budget for areas such as new facilities, building renovations, and major equipment purchases.
- **Endowment Giving** donations are invested and require that the principal remain intact. This allows the school to invest the interest income into additional programs and opportunities for students.
- **Requests for fundraising**, by SCS and outside organizations, whether on or off campus, must be pre-approved by the director of development. Distribution and/or posting of any related fundraising communications must be pre-approved by the communications manager.

Parent-Teacher Association (PTA)

The PTA of Sarasota Christian School works cooperatively in the interest of students and the school. It seeks to promote the interest and involvement of parents, provide helpful and informative meetings, and raise supplemental funds for items the school would otherwise not be able to purchase through approved fundraisers. PTA meetings, activities and events such as teacher appreciation are scheduled throughout the school year.

Service Hours

Our school community is greatly enriched by volunteers. Each family is required to volunteer **10** hours of service to SCS each year. A \$200 service fee is included in tuition and will be credited back in May upon confirmation of volunteer hours served. SCS prefers families to volunteer in our school community instead of paying the fee. It is each family's responsibility to document their hours with the front office by the end of April each year. All families are also expected to help at the annual auction the third weekend in February, which will count towards the service hour requirements. For information on how to volunteer, and to document your hours, please consult the front office.

Safety

Accidents

For accidents occurring at school or school activities, report forms are available through the clinic to be completed for insurance purposes.

Campus Searches

In an effort to keep our campus drug and weapon free and in accordance with state laws, a student's locker or other storage area (backpack, car, etc.) is subject to search, upon reasonable suspicion, for prohibited or illegally possessed substances or objects.

Drop-off and Pick-up Procedures

To help ensure the safety of our students please:

- Use only those areas designated for drop-off or pick-up.
- Observe one-way areas around the campus until 3:30 p.m.
- Pull to the right side of the roadway or driveway and stay in line to drop-off or pick-up passengers. Do not leave your car or double-park.
- Students should enter or exit the vehicle from the right side only.
- Discuss this plan with your student to ensure understanding of drop-off and pick-up procedures.
- If a student is not waiting at the designated pick-up spot, drivers will be directed to circle the block so as not to hold up traffic.
- Use of cell phones while driving on campus is strictly prohibited to ensure student safety.
- Elementary parents are issued a pick-up card with a family pick-up code number. This card must be presented in order to pick up any elementary school student. If a parent or guardian approved to pick up the student(s) forgets this card they must report to the front office to get a temporary card for the day.

Parking and Vehicle Registration

High school students must register their vehicle each year. Parking on the grass and other non-designated areas is prohibited. Part-time students or others with permission to leave campus during the school day shall park in the west shell parking lot. All other students are to park in the wooded lot or the designated class parking area north of the weight room.

Pets

No pets or animals may be brought onto our campus. Teachers must obtain pre-approval from the principal prior to introducing a pet or animal into any part of the curriculum or classroom for any part of the day.

Pond Area

Students may not enter the pond area at any time unless they are under direct supervision of a teacher and have principal permission.

Railings

Throwing anything to or from the second-floor railing is prohibited and will result in a detention. The student will also be required to reimburse the school for any damages caused.

Safety Patrols

To help ensure the safety and welfare of our students, fifth grade safety patrols and a teacher sponsor provide supervision before and after school. The safety patrols are responsible to aid pedestrians in safe crossing at the front of the school. The school community supports their work by following their directions and showing respect.

Safety Drills

Safety drills are conducted on a regular basis, as required by law. SCS has adopted the countywide system of safety codes (Enhanced Lockdown, Severe Weather, and Evacuation). This universal system provides continuity throughout Sarasota County. Each classroom has posted emergency procedure directions and evacuation maps.

Skateboards and Scooters

Skateboards, roller blades, scooters, footwear with wheels, bicycles, etc., are not to be used on campus before, during, or after school. Students who ride bicycles to school are to push them on sidewalks before and after school.

Visitors and Volunteers

For the safety of everyone, all campus visitors and volunteers must check-in at the front office to be screened through our RAPTOR visitor management system, a national sexual predator/offender database. They must obtain and wear a visitor's tag, and then also sign out at the front office prior to leaving campus. Individuals are considered a visitor if they are not a SCS employee or current student (i.e. parents except during drop-off or pick-up times, volunteers, tutors, pastors, employee spouses, and alumni).

Parents attending an overnight field trip must complete in advance a volunteer state and federal background check.

Students that attend other schools are not permitted on campus to visit with current students unless they are a prospective student and arrangements have been made by the Admissions Office or are signed in with an adult referenced above. Students' friends from other schools are not allowed to visit during lunch. SCS graduates may visit during lunch. Visitors wanting to use our facilities must contact the school rental coordinator for approval.

Weight Room

SCS encourages physical fitness and healthy lifestyle choices. Students may use the weight room for training purposes, as long as there is authorized adult supervision. Students choosing to use the weight room facility acknowledge they are physically able and agree that all exercise and use of the facility are undertaken at their sole risk, as SCS is not responsible for any injuries that may occur while using the equipment.

Uniform Policy

Sarasota Christian School desires to prepare students for continued growth in their spiritual formation and to create an educational atmosphere that maximizes learning. Uniforms are worn to promote simplicity of style, professionalism, school spirit, economy, and identity. Students shall be well-groomed and demonstrate respect, modesty, neatness and cleanliness. Extremes in hairstyles, makeup and dress including clothing torn or with holes should be avoided. This policy applies to every school day and begins at the time of arrival on campus.

Shirts/Sweatshirts/Coats

- Students must wear school approved apparel.
 - Uniform shirts with an approved current school logo and school colors must be worn Monday through Friday, however approved spirit shirts and team shirts including collared shirts may be worn on Fridays as designated within *Uniform Policy Exceptions*.
 - Approved outerwear including sweatshirts, hoodies and jackets with the current school and/or athletic logo and school colors, may be worn any day of the week. Outerwear with the school logo is purchased through the PTA; outerwear with the athletic logo is purchased through the Athletic Department.
- Undershirts with short sleeves or long sleeves must be navy, royal blue, or white. Undershirts must not hang below uniform shirts and may not have visible artwork or messages on the front or back.
- Students may wear a winter coat over their uniform when the temperature is 45 degrees Fahrenheit or lower at 7:00 am. Winter coats do not need to be in approved colors or have an SCS logo. Students may not carry blankets.
- Hats, bandanas, or sweatshirt hoods may not be worn inside during the school day.
- Clothing is expected to cover undergarments at all times.
- All SCS apparel must be pre-approved by the communications manager.

Pants/Shorts/Skirts

- Pants, shorts and skirts must be navy or tan colored and cover midriff and undergarments. Leggings are not permitted as pants.
- For girls, skirts must be of a length approaching the knee and not shorter than mid-thigh in length. Capris must be below the kneecap. Leggings may not be worn unless under a skirt of a length that approaches the knee.
- Shorts are permitted for elementary school students.
- All permitted shorts for middle school and high school girls and boys must be loose-fitting, approaching the knee in length, and made from non-athletic fabric. Other styles of shorts will not be permitted.

Shoes

- Students are required to wear shoes on campus. Elementary and middle school students are required to wear closed-in shoes such as athletic shoes.

Piercings

- With the exception of earrings, body piercings should be covered during the school day.

Physical Education Requirements

- High school students are required to wear a t-shirt with sleeves, modest athletic shorts or loose-fitting sweatpants/other exercise pants, socks and sneakers. Clothing with inappropriate slogans, pictures and/or symbols is not permitted.
- Middle school students are required to wear the approved P.E. uniform purchased through the PTA.

Uniform Policy Exceptions

Throughout the year students will be permitted and/or required to wear non-uniform attire for various occasions. Specific attire for the various occasions will be communicated in advance and must meet all other expectations including being modest and covering undergarments. Requests by leadership and club groups for an out-of-uniform day for a specific cause must be made in writing to the principal at least two weeks in advance. Requests for any SCS spirit apparel must be pre-approved by the communications manager prior to ordering/purchasing. The additional guidelines below, apply in conjunction with the standard policies indicated above.

Spirit & Jeans Fridays

Every Friday, students can show their school spirit by wearing approved SCS spirit shirts or outerwear from current or prior years instead of uniform shirts. Spirit shirts will be available for purchase at the beginning of the school year. Every Friday students may pay \$1.00 to wear jeans instead of uniform bottoms, which provides funds for elementary class-wide auction projects, middle and high school student council special events/projects, and high school International Partnership schools.

Athletic Teams

Students on SCS athletic teams that have advanced to regional finals or state playoff competitions may wear their team jersey or team shirt on playoff days with jeans.

Consequences for Uniform Violations

- Students out of uniform or in violation of guidelines will be required to change into a uniform provided by the parent or the school. School loaned uniforms must be returned to the school.
- On the fourth (and subsequent) violation documented in RenWeb dress code infraction, high school and middle school students will serve a detention.
- SCS administration holds the right to determine whether or not a student's dress or appearance is in agreement with the uniform policy or disruptive to the educational environment.
