

2020–2021 HIGH SCHOOL SUPPLY LIST

General Supplies for ALL STUDENTS

High school students should begin the school year prepared with note taking capabilities and an organizational binder system. Students will be directed to do much of this digitally, but should plan on having a designated supply of:

- Lined paper – college ruled - one package per class
- Notebooks with dividers to help with physical class resources
- A significant number of pencils and pens (blue, black, red)
- Highlighters of various colors
- USB Flash drive
- Earbuds or Headphones

Math

- TI84 Graphing Calculator for all math classes
- Geometry students need: Graphing paper, Non-metal compass, protractor, and 6-inch standard and metric ruler

Bible

- Student Bible
- Notebook

Spanish

- Spanish-English dictionary
- 2 pocket plastic folders

Biology (with Ms. White)

- Colored pencils
- Notecards
- Dedicated notebook with pockets or separate folder
- Composition notebook
- AP Biology students need to add: a calculator

Environmental Science and Marine Science (with Ms. White)

- Dedicated notebook

Chemistry and Physics, Regular and Honors (with Mrs. Otto)

- Notebook
- Index cards
- folder or binder for handouts
- scientific calculator (no cell phones)
- Composition notebook for lab reports

English III, IV, and AP English Lit. (with Dr. Hedgcock)

- Expo Markers for personal whiteboards
- Sticky notes
- College Ruled composition book
- One inch three ring binder (not required, but will help with keeping handouts organized)
- Students will need the Chrome browser installed on their computers

Please Note: Additional specifics may be requested in the class syllabi at the beginning of the school year. For courses not listed, there are no special supply requests outside of normal supplies such as pen/pencils and paper for notetaking. FL Virtual School, Dual Enrollment and AP courses are subject to their own supply requirements. Other course supply needs in addition to ones already listed may arise during the year. Since we are still hiring new faculty over the summer, the supplies required for all classes might not be available at this time. New faculty members will notify you of their supply needs at the start of the school year.
