

We hope you are having a great summer! We just wanted to provide you all with an update on schedules for your incoming student/students. All new student schedules will be created/scheduled between August 1-4, when our department heads are back on campus.

The process for new student schedules are as follows:

For grades 9-12:

1. Registrar sends out transcript request to previous school.
2. Registrar completes a graduation check from official transcript (incoming 9th graders can have high school subjects in 8th grade).
3. Registrar gathers admissions testing and any prior year achievement testing.
4. Registrar gathers any comments or requests from families.

For grades 7-8:

1. Registrar sends out transcript request to previous school.
2. Registrar gathers admissions testing and any prior year achievement testing.
3. Registrar gathers any comments or requests from families.

This year, the electives we are offering are as follows: (keep in mind, it will depend on your child's schedule/time period of which exact electives will be offered.)
