

Dear SCS Families,

I hope that our “Mini Winter Break” was a time of relaxation and renewal for you all. I know that I feel ready to take on the excitement that is ahead of us in the coming weeks thanks to just a few days of rest.

I am thrilled to report to you that **Sarasota Christian School has once again earned accreditation through the Florida Council of Independent Schools.** That means that SCS maintains the highest standards and best practices for academics/curriculum, governance, operations, funding, finance, compliance, ethics/integrity, parental involvement, faculty professional development, and leadership.

I wanted to share with you an excerpt from the letter I received from FCIS:

"The committee was impressed with the school's preparation for the visit and its hospitality and warm atmosphere. They especially praise all the hard work you and your staff put into the self-study and the efforts you have made to improve the school."

FCIS accreditation is the seal of educational excellence to families seeking an independent school education, placing SCS among the very best schools in the nation.

I am extremely proud of our incredible faculty/staff and students.
Congratulations to all for this accomplishment!

I look forward to connecting with many of you at the upcoming Alumni BBQ on Feb. 17th and of course at the 64th Festival & Auction on Feb. 18th.

There are great things ahead for SCS!

Sincerely,

Joseph Stokes
Head of School
